<b>Policy Code:</b>	IT2
<b>Policy Start Date:</b>	July 2024
<b>Policy Review Date:</b>	July 2025

### **Statement of intent**

As an educational provider, all sites with CIT have an obligation to publish a Freedom of Information statement, outlining how we will meet our duties under the Freedom of Information Act 2000 and associated regulations. The development and effective implementation of this policy fulfils that requirement.

#### Trust

- The release and publication of private data and public records;
- Providing applicants with advice and assistance throughout the duration of their requests.

It also clarifies our position regarding the appropriate limit to the costs incurred by the school/Trust in obtaining any requested information, and on charging fees for its provision.

- 3.9 Requests for information that is not recorded by the school/Trust (e.g. requests for Trust not be considered valid requests. In these cases, the applicant will be provided with an explanation of why their request will not be treated under the Freedom of Information Act 2000 and the school/Trust will respond to the applicant through other channels as appropriate.
- 3.10 The information provided to the applicant will be in the format that they have requested, where possible.
- 3.11 Where it is not possible to provide the information in the requested format, the school/Trust will assist the applicant by discussing alternative formats in which it can be provided.
- 3.12 The information provided will also be in the language in which it is held, or another language that is legally required.
- 3.13 If, under relevant disability and discrimination regulations, the school/Trust is legally obliged to provide the information in other forms and formats, it will do so.
- 3.14 In some cases, a request may be dealt with under more than one access regime, e.g. if the request involves both information about the school/Trust and personal information, it will be dealt with under the Freedom of Information Act 2000 and the Data Protection Act 2018.
- 3.15 Staff are made aware that it is a criminal offence to alter, deface, block, erase, destroy or conceal any information held by the school/Trust with the intention of preventing disclosure following a request.

#### **4. The appropriate limit**

- 4.1 The school/Trust will not comply with any freedom of information request that exceeds the statutorily imposed appropriate limit of £450.
- 4.2 When determining whether the cost of complying with a freedom of information request is within the appropriate limit, the school/Trust will take account only of the costs we reasonably expect to incur in relation to:
- Determining whether it holds the information;
  - Locating the information, or a document which may contain the information;
  - Retrieving the information, or a document which may contain the information;
  - Extracting the information from a document containing it;
  - Costs related to the time spent by any person undertaking any of the activities outlined in section 4.2 of this policy on behalf of the school/Trust, are to be estimated at a rate of £25 per person per hour.
- 4.3 The school/Trust is not required to search4.3

- The provision to the applicant of a digest, or summary of the information, in permanent form or in another form acceptable to the applicant.

6.2 Where a preference is not stated by the applicant, the school/Trust will communicate by any means which are reasonable under the circumstances. For example, where an applicant uses Twitter to make a request, the school may respond via an alternative medium as Twitter restricts the length of a response.

7.1 The school/Trust will meet its duty to provide advice and assistance, as far as is reasonable, to any person who proposes to make, or has made, requests for information to the school/Trust.

7.2 The school/Trust may offer advice and assistance in the following circumstances:

- If an individual requests to know what types of information the school/Trust holds and the format in which it is available, as well as information on the fees regulations and charging procedures;
- If a request has been made, but the school/Trust is unable to regard it as a valid request due to insufficient information, leading to an inability to identify and locate the information;
- If a request has been refused, e.g. due to an excessive cost, and it is necessary for the school/Trust to assist the individual who has submitted the request.

7.3 The school/Trust will provide assistance for each individual on a case-by-case basis; examples of how the school/Trust will provide assistance include the following:

- Informing an applicant of their rights under the Freedom of Information Act 2000;
- Assisting an individual in the focus of their request, e.g. by advising of the types of information available within the requested category;
- Advising an applicant if information is available elsewhere and how to access this information;
- Keeping an applicant informed on the progress of their request.

7.4 Where the school/Trust wishes to ask a different public authority to deal with a request by transferring it to them, this will only be done with the agreement of the applicant.

7.5 In order to provide assistance as outlined above, the school/Trust will engage in the following good practice procedures:

- Make early contact with an individual and keep them informed of the process of their request;
- Accurately record and document all correspondence concerning the clarification and handling of any request;
- Give consideration to the most appropriate means of contacting the applicant, taking into account their individual circumstances;
- Discuss with the applicant whether they would prefer to receive the information in an alternative format, in cases where it is not possible to provide the information requested in the manner originally specified;
- Remain prepared to assist an applicant who has had their request denied due to an exemption.

7.6 The school/Trust will give particular consideration to what level of assistance is required for an applicant who has difficulty submitting a written request.

7.7 In circumstances where an applicant has difficulty submitting a written request, the school/Trust will:

- Make a note of the application over the telephone and then send the note to the applicant to confirm and return the statutory time limit for a reply would begin here;
- Direct the individual to a different agency that may be able to assist with framing their request.

NB. This list is not exhaustive, and the school/Trust may decide to take additional assistance measures that are appropriate to the case.
